Matching Gifts

Make your gift count twice! If you work for a company that offers matching gifts, please submit a matching gift form to the development office. If you have any questions about this, please contact your company’s human resource department or Post Oak Development Director, Christina Kopanidis-Cantu.

We have $60,000 to go. We will need a good boost to get us to our goal of $250,000. Please, please, please, if your company does matching gifts, please submit that paperwork today. If you haven’t yet participated in this year’s campaign, consider the impact Post Oak has on your child and your family and make a gift today!
