Behavioral Expectations:

A student may be asked to leave a school trip if his/her actions, comments, or language

- compromises the physical or mental safety or well-being of the individual, another person, or the entire community; and/or
- violates the trust of the adult chaperones and guardians in such a way that the activities/functions of the school trip cannot be carried out effectively.

Parent Permission:

I give permission for my child, _____, to participate in the outing described above. I understand the behavioral expectations outlined above.

I/We hereby give my/our consent and grant permission for Student to participate in all field trips made by his/her group under the auspices and sponsorship of the School. I/We understand that some field trips will be within walking distance, while others will require transportation and vehicles driven by employees and/or parents. I/We understand that the School will do everything within its power to provide for individual child safety. I/We understand that the School is neither responsible nor liable for any accident or injuries that may occur to Student(s) as a result of any aspect of his or her attendance or participation on a School-related field trip. I/We understand that the School is not liable for injuries or damages caused by Student on a School-related field trip. I/We agree to indemnify and hold harmless the School from any claims made against the School and from any and all claims made by third parties which result from the Student's actions while on a School-related field trip. In consideration of the Student being permitted to participate and attend School-related field trips, I/we expressly waive all claims to which I/we may otherwise be entitled, including but not limited to, claims for medical expenses. I/We understand that students will be informed in advance of any proposed field trip and the instructor will inform the Parent(s).
